4. After your account is approved, you will receive two separate emails: one containing your username and the other containing your temporary password and a login link.
5. Click the login link provided in the email, enter your username and temporary password, and you will be prompted to change your password.
6. Upon successfully changing your temporary password, you will be logged into Workday Learning.
7. Once you've created an account, the next time you need to login, please visit <https://customertraining.verizon.com/> and choose your Business Segment to proceed to the login page.
