February, 2023

Version 1.0

Introduction

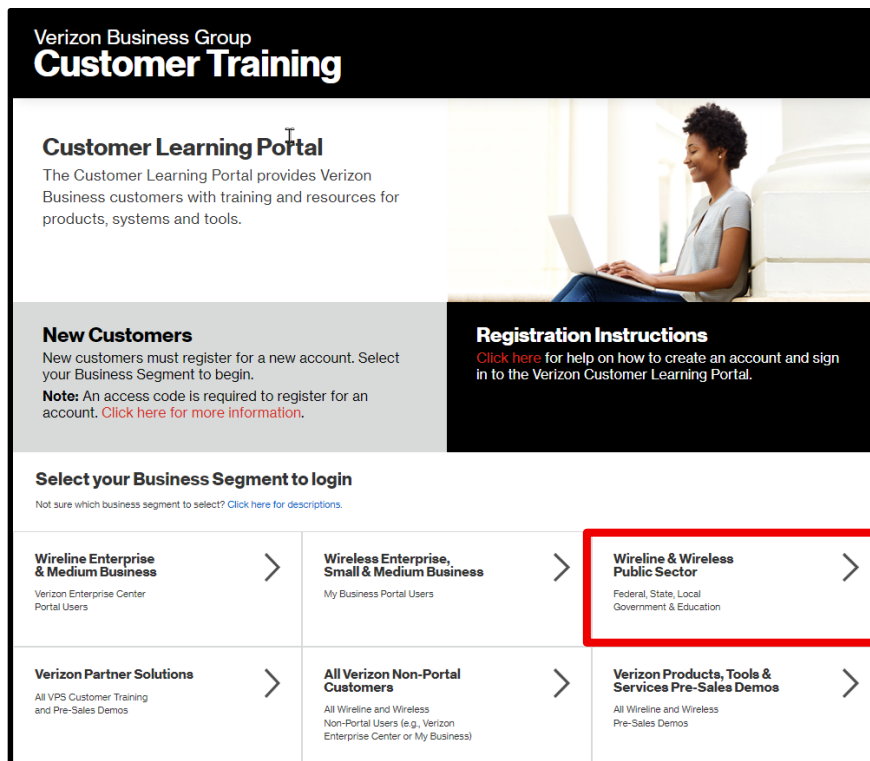

Use this document to create a new account in the Verizon Customer Learning Portal for all **Wireline & Wireless Public Sector for Federal, State, Local Government & Education**.

In addition, use this document to sign in to the Verizon Customer Learning Portal after the initial account creation.

Initial Login – Create an Account

Begin my accessing the Verizon Customer Learning Portal at: <https://customertraining.verizon.com>.

As this is your initial login make sure your Verizon sales or support contact has given you an access code that is needed with your initial account creation. More information regarding access codes can be located using the “Click here for more information” hyperlink under the New Customers section of the Verizon Customer Training landing page.

Select **Wireline & Wireless Public Sector** as your business segment. If unsure of your business segment select the hyperlink under Select your Business Segment to login.

The login page displays. As this is our initial access request select Create an Account.

Complete all fields

- Enter your one-time Access Code that was provided by your Verizon sales or support contact. All fields are required and must be completed to create your account.
 - If you do not have an access code, reach out to your Verizon sales or support contact. If you don't have a Verizon contact, complete this **form**. Please allow 24-72 hours for a response.
 - Enter your first and last name.
 - Enter the legal name of your business. (Do not abbreviate or alter the legal name).
 - Enter your business email address. (Cannot use public domain emails (i.e., @yahoo.com or @gmail.com, etc.).
 - Enter your business phone number.
 - Create a password.
 - Confirm your password.
 - Click Create an Account at the bottom of the screen.

This takes you to the landing page where you can search for training content, register for training, access user guides, etc.

All Logins after the Initial Login – Sign In
